1. Who can see my birth, not; my death burial and resurrection. I love you. My death not as thought, in thought, but in sense real, flesh real; spirit demised not, but soul; or do/did I have one? Now sure, not having/possessing, or it/one possessing me. I love you. **See what I have said**.

2. Resurrection resurrected and who can see the seven stars in my hand? And knoweth their names and what wherefore why and operateth how? I love you with all things in my/our hands, and what is the difference between my and our? None. Can there be any?

3. See the son arise with healing in my wings, your wings. Which son? You my son. Where? England America and Bahamas royal? See every country son and none without me. I am wanted by all. I make my entrance and no one stops me/can stop me. I love you. I give you me.

4. Thou art a/the priest of Melchizedek and who can see bread and wine served in every country bar none? Palaces and parliaments and Knessets who and when? Oh lay down on the line not but be it therefore pulling my scarlet thread through my sealed ones, not; but into me see the scarlet purple apparel now that sheds does for light lit and transparent being. I love you.

5. This is the time of my birth not, resurrection; and the seven stars in my hand given/revealed to who? All who will/see.

6. Who can see my death be? All who investigate, not; but reveal me in their closets and 2am meetings of me and lieth in sorrow, not; but courts of the mighty, sitting down with Abraham Isaac and Jacob who? Coming from the north south east and west for what/whose purposes, revealing my strong arm to those that will be it? I love you.

7. This is the moment of my birth, not; resurrection, and you show the world resurrection power, being it, being me, me being my power surrendered in meekness to world powers, not; as thought, but one true being. I love you.

8. This is the moment, promised, promised long ago, and who entereth me but you? All could/should have/can.

9. And who can see the clock strike twelve and what day is this and now over what begins again, and how cataclysmic? De-molecular'd.

10. And is not all revealed in scriptures thus and more? And "So? So?" not; but being my scriptures walking doing/revealing my all now you surrendered ones are; at midnight, not; now.

11. I love you all, saying "How can I do this thing?" not, but being it/my heart, fully-ized and knowing not time-space, transcending all; and fear not residing in, upon, any more.

12. Thou art Melchizedeks Melchizedeking each other to Melchizedek see, reveal, and transcend all; my order of one arises, the/my kingdom seen/revealed and who is that man/one in the center? Me. And who are you? I Am. And are we one or not one? Not one anti. One: Christ. I am the Christ and if you're not me you are not-me, anti.

13. **Be not conformed to this world for in my house are many mansions and I go to prepare a place for you. If this were not so I would have told you for** I lie not. Candy-coat me not, I tell/told all, not; but enough for you all to enter. The door is open, the kingdom ready; every castle prepared, not; but ready for me I am and coming I am in my body as never imagined.

14. Who/where am I coming? Me, in my body, now and forevermore resurrected and one following one, not; being one, all. I love you. In surrender surrendered oneship the world/kingdoms marvel at/upon.

15. **This is the moment Joel talked about/discussed**. Can you see? Act. Demise not the moment current; **let my current flow unabated, unrestricted, unabridged, unadulterated, through your mind not, but bypassing it altogether, given to me and me having become resurrected in you my beloved, see.** Relive me and be me and let me flow through my beloved to my beloved and Isaiah 61-ing each other all. Serve bread and wine and heal and flow and maximize the generations now who call you/me blessed. I love you all.

16. This is the moment all the world waits for, not; but all will see, perceiving not with their eyes alone, but in manifest presence of me, in them, if they let me. I love you all.

17. My resurrection, my blessing, my light therefore lit and shining and who can see the harvest/fields white with harvest; and who will go/be where to redeem our brethren mighty and fallen and incarcerated, so little, when so light are. I love you/them. I love you.

18. Christ all. Christ glory. Christ crown: you, my surrendered.
This is your/my moment and wear all you do, transparently.
I give you my kingdom.
There is nothing not at/in your command.
Thy word creates. Armies move. Heavenlies respond.
Cataclysm booms.
My voice covers the waters, alone; one being.

19. I love you. Prophet Isaiah one? Two? And who can see me resurrected now walking water of only me? Calm the storms/stars, heal the dead, raise all in my torment, not; but peace being, giving me to all, themselves resurrection.

20. *This is the moment, all hell breaks loose and falls and repents, not all, all and more so, far and wide/away.*

21. This the prophet Joel described. I am in your words, you his, and Isaiah very clear about.

22. I love you all surrendered ones and not/coming.
Good night.

23. Resurrection morning.
Me, you; us one.
Resurrection the world denies, cannot.
You will not/can not, be denied.
Thou hast all things/times in thy hand/heart, head raised, mine alone.
Thank you.

24. Resurrection resurrected.
Amen and never closing down again.

Me you.
Now.
Amen.

Me to you, you to all, who choose/surrender.

Me
Amen
